STUDENT SERVICES	
Student support	Ecole du Louvre provides a reception service to meet the needs of students and staff with disabilities. Contact: solarite.handicap@ecoledulouvre.fr
Inclusion and accessibility	The entire architectural project has been designed to meet current accessibility standards for people with reduced mobility. All rooms are equipped with magnetic loops. An Education and Disability Office is responsible for welcoming and monitoring students with disabilities - whether permanent or temporary (break, serious illness, etc.). It coordinates all the actions put in place (tutoring, support courses, note-taking, adaptation of documents, accessibility of premises, examinations, one-third time, etc.) in collaboration with the various departments of the School. Contact: solarite.handicap@ecoledulouvre.fr / +33155351860 / https://www.ecoledulouvre.fr/fr/une-ecole-pour-tous-sante-handicap-crous-protection-sociale
